Here's the revised combined notice. The only thing needed is the timing for the hearing.

Has a decision been made about the start and end times for the hearing? Right now, I have place holders of 9am for the start and 8pm for the end.

Greg's been plugging away on the FR notice for the comment period extension. I assume we're pulling that back and doing a combined notice now, right?

Excellent. Pradnya - if possible we'd like to get into the map room the afternoon of the 16th for set-up.

Hi Tom and Mary

We got OCIR to release the map room (1153) and Pradnya is reserving now. She's copying you on the reservation of the room. Tracy Sheppard indicated that we had to have the room for the FR. So now we do. I assume you'll take it from here.

Thanks

Liz
